### **Franklin Wins Gold Flamingo for Fifth Year Leads Florida Print Awards for the Eleventh Year in a Row**

**ORLANDO, FLORIDA – August 8, 2009** – For the eleventh consecutive year, Franklin Communications, LLC of Miami, Florida, won more awards for print and design excellence than any other printer in the state. In the 22<sup>nd</sup> annual Printing Association of Florida Print (PAF) Awards competition held in Orlando, Florida, the company nearly matched its own record with thirty-seven (37) “Best of Category” awards, twenty-seven (27) Awards of Excellence, and thirty-eight (38) Judges Awards. Franklin was also awarded three “Flamingo” trophies for “Best Poster”, “Best Special Treatment”, and the coveted “Golden Flamingo”, which is awarded to the company that wins the “Most Best of Category” awards in the statewide competition. This was the fifth year in a row Franklin has taken home the Golden Flamingo. Franklin also was recognized with six national awards from the Printing Industry of America’s Premier Print Awards - two (2) Awards of Recognition and four (4) Certificates of Merit.

“We have built a team of dedicated and caring employees and these awards are a testament to the attention they give to each and every job,” said Peter Dunne, President. He added, “We strive to make every job we do award-worthy.”

George Ryan, president and CEO of PAF, added “year after year, the quality of the submissions for the Florida Print Awards increases, raising the standard to which they are held. It seems like we say this every year, but the judges remarked how they were, once again, impressed with the entries submitted by PAF members and also said this year’s competition was the toughest yet. Franklin Communications should be very proud of their outstanding accomplishments.”

Franklin recently merged in the operations of specialty printer, Dynacolor Graphics, a long-time Miami firm. For more information about Franklin Communications, LLC, contact Peter J. Dunne at (305) 633-9779 ext 1227 or visit the company’s website at <http://www.franklincomm.com>.
